

Reach 211 Compliance Declaration

Product: SS-PC-LINK

Description: USB 2.0 Driverless Data Transfer Cable for Windows 11 / 10 / 8 / 7

REACH is the European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the Registration, Evaluation, Authorization and Restriction of Chemical substances. The law entered into force on 1 June 2007. Gearmo supports the objective of REACH and the responsibility the legislation places on all actors in the supply chain to manage the safe use of substances. Gearmo is committed to complying with REACH.

The products specified above manufactured by Gearmo meet the definition of "Article" and do not have intentional release of substances or preparations and, consequently, will not require registration of any chemical substances. None of the materials contain any of the 211 currently listed Substance of Very High Concern (SVHC) at a concentration exceeding 0.1% weight by weight published by European Chemical Agency (ECHA) on June 27th, 2018 regarding regulation (EC) No. 1907/2006.

This statement confirms that Gearmo is aware of the requirements of REACH Regulation (EC) No. 1907/2006 of the European Parliament and the Council of 18 December 2006. It is our intention to comply with the requirements of this regulation as it applies to producers of Articles. We will continue to work with our suppliers to identify any SVHC components contained in the materials procured for use in manufacturing Gearmo products. Gearmo are REACH compliant and are reviewing any legislation changes.
